

NO OTHER NAME

David Wilkerson April 19, 2016

There is a growing wrath in the hearts of wicked men against the very name of Jesus. All over the world, there is arising a red-hot hatred for God's Word. The Bible is despised, mocked and cursed by ungodly men. I ask you: What is it about Jesus' name that stirs up such anger by its mere mention? No name is so despised, yet there can be no salvation in any name but His. "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved" (Acts 4:12).

We know that Jesus' name has always been hated by wicked men, but now that hatred has turned into a demonic rage. Christ's name is slowly and subtly being erased from society, by legislative mandates in nations all over the globe.

I received word from a very reliable source about an astonishing development in the U.S. military. An attempt is being made to rule that no chaplain, Catholic or Protestant, can mention the name of Jesus Christ. The reasoning behind this is unbelievable: "We must have spiritual maturity in a pluralistic society." What a deception! Think of it: first, forbidding any mention of the name of Jesus, and then saying it's a matter of spiritual maturity. This is straight out of hell!

Why is there such rage against the Son of God? Why do wicked men shudder at the mention of His name? It is because of what Christ's name represents—deliverance from sin. His name means freedom from the dominion of sin. It means death to the old, fallen, sinful nature, and entry into newness of life. It means power to forsake and deny all ungodly lusts and pleasures.

God's Word tells us the destruction and blasphemy being brought about by man's wrath won't last much longer. "Surely the wrath of men shall praise thee: the remainder of wrath shalt thou restrain" (Psalm 76:10). How will this happen? Simply put, the more intense the wrath of men becomes, the more God will pour out His grace. "Where sin abounded, grace did much more abound" (Romans 5:20).
